JASPER PLACE COMPOSITE HIGH SCHOOL

OUR PLEDGE

We hereby pledge that we will uphold the good name and traditions of our school; that we will support its activities in all ways possible; that we will do all that is within our power to encourage the highest standard of character and scholarship; that we will be good citizens of Jasper Place Composite High School, of Edmonton and of Canada.

ORIGIN OF SCHOOL CREST

In 1964, the **Highlights** and **Echo** jointly sponsored a survey of the Grade XII students, members of the first class to complete their high school in the first stage of the new Jasper Place Composite High School. The survey asked the students what they felt were the three words that best described the new school.

The words which appeared most frequently were Progress, Vigour, and words and phrases denoting Tenacity. These, then, were selected as most appropriate to the spirit of Jasper Place Composite High.

The committee, spearheaded by Mr. Mathew, then consulted Dr. Goerzen who gave us the Latin translation for tenacity as **Pertinacia**, vigour as **Vigor**, and progress as **Progressio**. These words are incorporated in the banner line at the bottom of the crest.

Mr. Al. Oeming, owner of the Alberta Game Farm and one of the world's leading authorities on animals, was asked to supply us with the names of the animals which would best depict our chosen characteristics. In consultation with the University, Mr. Oeming gave us the Grizzly Bear for the word tenacity, the Beaver for industriousness (the Beaver is also a Canadian symbol), and the Whooping Crane as the animal showing great progress. When one stops to consider the habits of these animals and their characteristics, one can certainly see that they are excellent choices.

These three animals were to be mounted around a shield upon which were to appear symbols of the purpose of the school. The top of the shield bears the Book of Knowledge; the top right, the Lamp of Knowledge; the lower right the Academic side of our school, and the lower left the Vocational aspect of Jasper Place Composite High School. The Vocational aspect in this instance includes all the Technical subjects including Business Education.

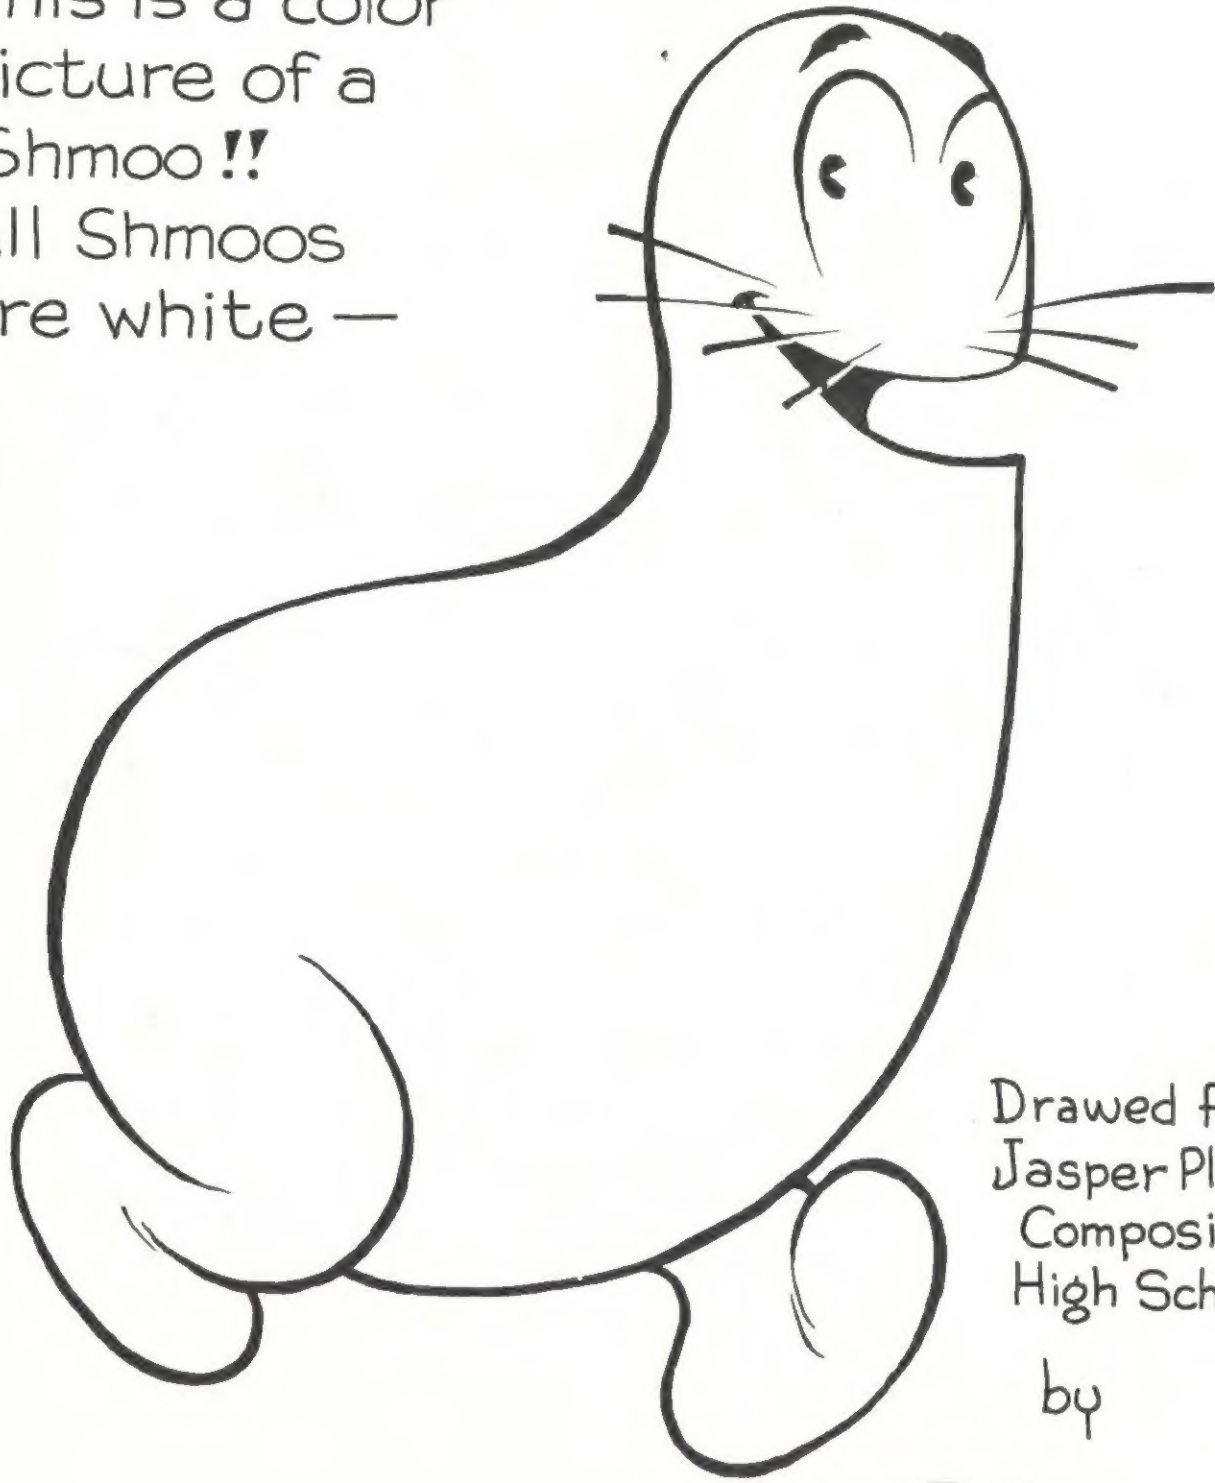

It was the intention to mount the beaver on a crown, the crown to symbolize our past heritage and ties with Britain and our present association with the British Commonwealth of Nations. Permission to use the crown must come from the Queen. Through her agents this permission was sought. Unfortunately our request was refused. We therefore mounted the beaver on another symbol of scholastic achievement, the mortar board.

Around the outside as decoration we chose to place fronds. The official Alberta flower, the wild rose, may be seen at the bottom of the shield.

The colors chosen for this crest include the school colors of red, white and black. The other colors of yellow and brown were added to give the necessary coloring to complete the crest.

DEDICATION

After a distinguished career of 46 years Mr. Harry Malcolm is wrapping up his teaching days in a blaze of glory by his receiving of the Chemical Institute of Canada Award for Excellence in Teaching of High School Chemistry.

Mr. Malcolm graduated from Calgary Normal School in 1927. Nine years later, in 1936, he received his B.A. from the University of Alberta and in 1947 received his B.Ed. from the same institution.

His teaching career was interrupted from 1943 - 1945 when he served a 2½ year period in the RCAF during World War II.

British Columbia benefitted from his services during the years 1948 - 1957 where he taught in Ashcroft, Port Alberni, Ladner and Dunca. During his 33½ years in Alberta Mr. Malcolm taught in Carmangay, Mechecke, Lethbridge, Hythe, Chinook, Standard, Stony Plain and Jasper Place. He is one of the original teachers of J.P.C.H.S., beginning his career when the doors of the original building opened in 1961.

Mr. Malcolm's principal hobbies are gardening and electronics and we wish him well in pursuing these interests when he leaves us in June to retire to Kelowna, B.C.

Congratulations, Mr. Malcolm, on your outstanding career and on your award this year. May you enjoy many years of happiness in the beautiful area to which you are retiring. We know many students will remember you in the years to come, and whenever J.P. Graduates get together it won't be long before someone can be heard to say in a fondly manner, "Do you remember when Mr. Malcolm . . . ?"

DEDICATION

The Echo is pleased and privileged to co-dedicate the '73 edition to Mrs. Winnie Nielsen.

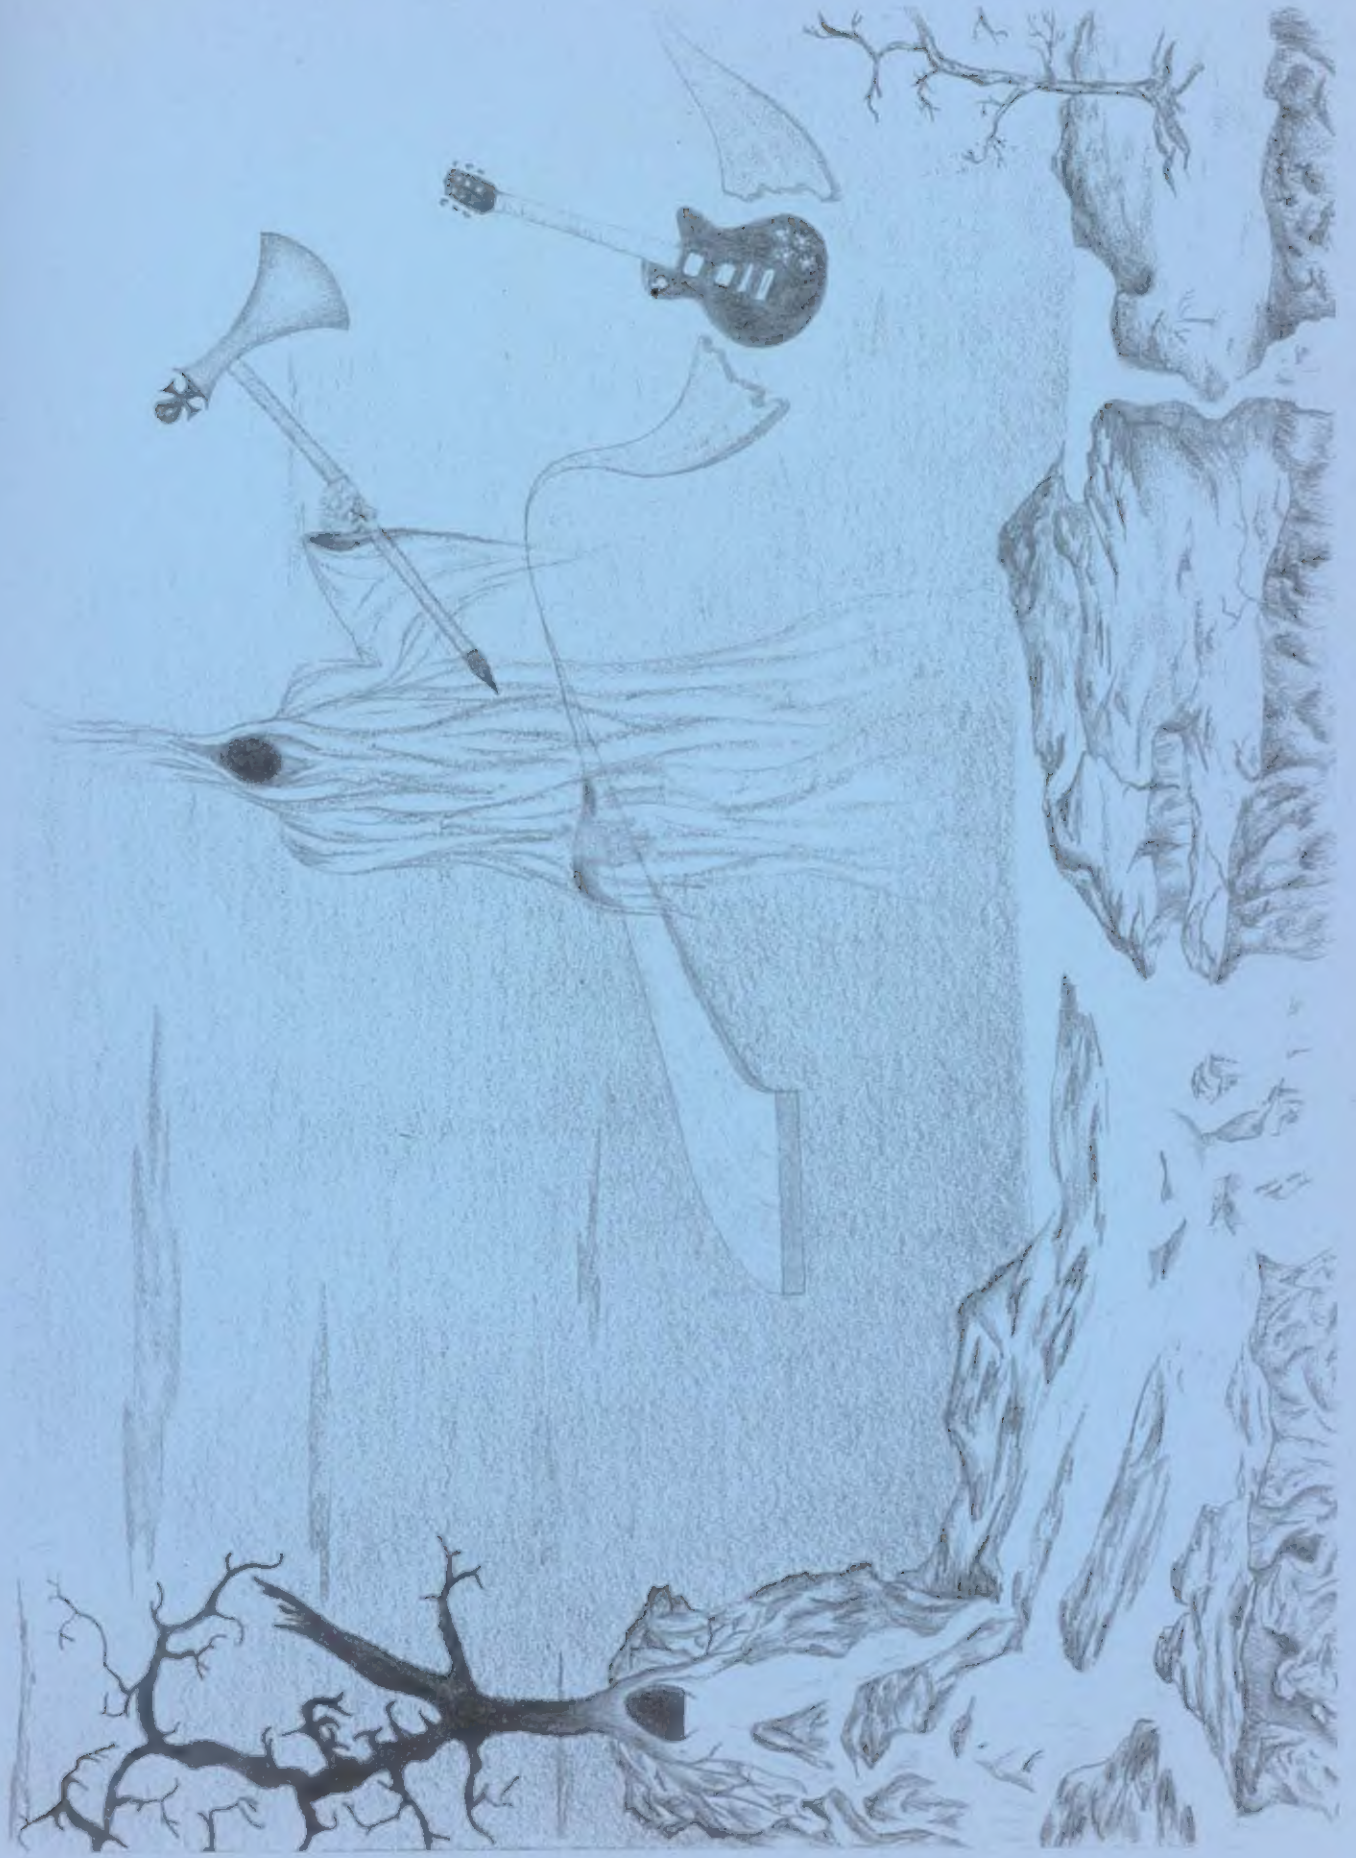

Mrs. Nielsen has given many years of devoted and dedicated service to the Edmonton Public School System. She will be missed when she leaves us.

For the past five years she has been first assistant principal at Jasper Place Composite and we know that all those who have had the privilege of meeting her and working with her will always think fondly of "Winnie".

We wish her the best in the years to come and know that she will use her time to the best advantage.

Good luck Mrs. Nielsen and we will be thinking of you in the years to come.

ADMINISTRATION and TEACHERS

MR. E. MEYER

Senior Class of 1973, your term at Jasper Place Composite High School is almost to an end. Yet it is really a milestone which also marks the beginning of another phase of your life. Your theme, "We believe in tomorrow" is most appropriate. Tomorrow is indeed yours to fashion to the needs of your time. The optimism in your theme is most gratifying. We, the faculty, are justly proud of you and are assured that this pride will continue to be justified.

You have done much to make Jasper Place Composite High School a pleasant and stimulating place to be. For this we are grateful. In many ways, you have set the pattern which will endure for some time.

SENIOR CLASS

SENIOR CLASS COUNCIL — 1973

Senior Class Night 1973 was the culmination of much hard work and planning on the part of the members of the Senior Class Council and sponsors, Mrs. Baker and Mr. Fysch. It was a semi-formal banquet and dance held on June 1 at the Crystal Ballroom of the Edmonton Inn. "The Better Days" supplied the music.

There were two themes this year "I Believe in Tomorrow" and "Today is the First Day of the Rest of Your Life".

The class gift this year consisted of two parts — four pompeii style cement benches

that were placed in the tower courtyard and 112 trees and shrubs that were donated by the Parks and Recreation Department of the City of Edmonton. On Friday, May 11, a good number of Grade 12's came out to help present their gift by planting all 112 trees. We hope this gift will provide a memory of the graduating class of 1973.

The Graduation Exercises are to be held in the fall at the school. We would like to invite all graduating students to return to J.P. for the event.

Madame Chairman, Mr. Meyer, fellow graduands, Ladies and Gentlemen,

Graduation is a solemn occasion. It is one of those rare moments of life, like births, marriages, and deaths, when sentimentality becomes not only excuseable, but the order of the day. Today we are here to reflect upon our years of formal education and to look ahead to the promise of the future. We fondly reminisce about our earliest school days, which were filled with playgrounds, the "three R's", and make-believe. Our nostalgia progresses through the tears and triumphs of Junior and Senior High School until we come to today, our graduation, our crossroad of decision. For many of us, the future is uncertain; we have little idea as to what it will bring. Others have already chosen a definite path to follow. There will be surprises and disappointments for all of us but we will survive, and most important, we will learn from our experiences, for to learn is to live.

Today, especially, we owe thanks to many: To our parents for having the faith and love to guide us in a world that is not always easy to understand. To our schools and teachers for providing us with the tools for further learning.

I feel Kahlil Gibran best expresses my sentiments in this excerpt from his book "The Prophet".

Then said a teacher, Speak to us of Teaching.
And he said:

No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness.

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

The astronomer may speak to you of his understanding of space, but he cannot give you his understanding.

The musician may sing to you of the rhythm which is in all space, but he cannot give you the ear which arrests the rhythm nor the voice that echoes it.

And he who is versed in the science of numbers can tell of the regions of weight and measure, but he cannot conduct you thither.

For the wisdom of one man lends not its wings to another man.

Thank-you
Jan Nolan

CLASS OF '73

By Mike McKinlay
Jane Schoettle

Twelve or more years have gone by, of hiding in our immaturity, dancing in our irresponsibility, and bathing in our juvenility. The day has come to find a new world. A world of adulthood, in which we can hide in our immaturity, dance in our irresponsibility, and bathe in our juvenility to a much greater extent. Time has shed a tear for the three years past, and only now do we look back with a grin and a great sigh of relief.

Three years ago, new faces appeared at the doorways (or should I say, exits) of J.P. Comp. Bright clean faces, clutching each others hands, grimacing in fear. Yes, we knew what frosh was. Many were the friends saying, "If they get you, they gotta get me too". Heard now were the cries of humiliation or quiet whispers of submission. Many of the Seniors and Sophomores began raketeering Grade 11 and 12 J.P. insignia buttons, finding a huge profit in this game. Some wondered whether it was worth it, after their socks braided and placed around their knees, huge maraschino cherries placed in their ears, and tie-die jock straps hanging around their necks. And yet you could feel the cordiality being paid you when you looked up from the garbage can you had been dropped into and saw the wonderful sign, **J.P. Welcomes you!**"

But the frustration of these days passed, and even after three months you still couldn't find your classes, though there were many outside activities which could straighten out all the misunderstandings. There were various clubs, house leagues, and extra-curricular classes. There were special breathing classes to help a student who had to pass through the dangerous smoking mudrooms without taking in any of the dangerous fumes while smiling. We were amazed to see our school had its own store, "The Bon Marche". We were equally amazed to find it only sold food, which guaranteed on each individual piece, that "if the buyer did not succeed in developing a bad case of acne within 30 days, his money would be happily refunded".

Soon everything settled in it's place. There were sports events, plays, dances, and other activities to go to. You began feeling a sense of belonging. You skipped your first class, and that sense of power began almost immediately. You laughed in the teachers faces. They knew who the boss was now...Your parents after they recieved the first absentee notice from the school.

The second semster started, and you were stunned to find that you no longer had to go to your old classes, finding this out unfortunately, too late. Your teachers had marked you as no-shows.

As quickly as you had started Grade 10, it was

over. The summer went by in a flash of bright colors, and there you were, sitting and smiling, a little more experienced, in a grade 11 class.

You found the glove on the other hand during Frosh, and even though you had once gone through this misery, you felt no mercy. Classes seemed rougher and more aggravating to go to. Enrollment in the school seemed a great deal higher this year, more people, and thus, the elevator found more arms and legs to chomp on. It didn't seem that this year would provide as many miseries as had the last, but you were wrong. Here were no unexpected holidays like the janitors strike of 1971.

As you progressed through the trials and tribulations of your second year, you began to see some of the advantages of being in the middle of the road, so to speak. You don't have to through yourself at the rare mercy of those grades ahead of you, but neither must you lose your mind in the rigours of departmental exams. In your misguided joy, you begin to take life easy. You start to polish off the points in the fine art of dodging the teacher whose class you have missed, those revered educators who are stalking the halls in search of blood that belongs to you. A grade 11 develops a fine tuned sense of hearing; perhaps there will be no motto remembered more from the hallways than "Quick! Duck! It's Mr. Rebryna!". Who can forget the joy of being a spectator at a football game? The drinking! The fighting! The screaming!-and, uh, oh, Yes, the game. The ecstasy of seeing your schools basketball team walk all over Ross Sheppards! The thrill of Bob Cromwell in a Bikini!

At last the end of another year-you have pulled another knot in the tie that binds. And then the transforming summer — for, behold, in the coming year you are to be a senior: a ruler, and elder, a mature, experienced, power tripper! You walk the halls on the first day of this seemingly unending spectacle, confident in your seniority — and then insecurity strikes: why can't you recognize more than 8 students? Who are all the LITTLE PEOPLE?? You don't feel mature, you feel old. It's quite an emotional experience for our supposed tender souls.

You realize, as time endlessly drags on, that this is not all its cut out to be. Teachers break it to you not so gently, that you have to study: either that, or learn to run a mimeograph machine. Amidst the shock, you begin to tremble, momentum starts to build; in desperation, you find your not going to class at all. Mr. teKampe no longer wants blood—it's your head and I.D. card he's after! In an attempt to curb this trend, you begin once more to attend class. Sad to say, those multitudes of people have still not left the elevator.

It was this year that the Bon Marche did a total

CLASS '73

Continued from page 22

numerous honors to us- we became known as a school of fish. (That's FYSH). For the second year in a row, a play from J.P.'s drama department won the Inter-City High School One-Act Festival. And Mr. Meyer's hair grew an eighth of an inch. Ah, yes, it a truly great year.

By now, the second semester, you have regained stability, and now, in matter of days you will be finished; the end is nearing, the final drawing of the curtain on this part of your education.

In closing, we must remember that these years had as many experiences as classes to go to. Hold on to them. Some day we'll wish for the simplicity of a life we once had. With the help of you will come a peace and harmony the world has hoped for. Piet Hein, a Norwegian poet, Expresses all this in a simple four word sentence: "Co-existence or no existence".

Thank you, and may you have good luck in the years to come.

Third Row (L. to R.): Rick Roder, Brian Collins, Glen Gadowsky, Ann Fraser.
Missing: (Hospital) Vice President — Pat Edwards.

This year, the club had about twenty active members. The sponsors are Mr. MacKeage, Mr. Warhaft and Mr. Bonneville. The club has an all girl executive made up of Bev. Trevena — President; Pat Edwards — Vice-President, and Sharon Bradley — Secretary-Treasurer.

The Photo Club has been quite active this year. We have gone on a number of field trips, shooting pictures at Emily Murphy Park, pictures of Christmas Lights and night shots of Edmonton from the top of the A.G.T. Tower. We attended three photo displays, two at the Provincial Museum and Archives and a fantastic photo display by the Professional Photographers of Canada at the Centennial Library.

During the Easter break the club visited three processing labs in Edmonton: Shipley, Northwest Color Labs and Storlee Color Labs. We also took a quick run through Photo Technology at the Northern Alberta Institute of Technology.

The club has planned two additional field trips for the month of June. One is to Cantelon Studios to see a professional studio. The other is a weekend field trip in affiliation with the Environmental Study field trip to take place June 2nd and 3rd.

The club held a photo contest on May 15th. This year, we invited all J.P. students to submit their efforts. Some of the entries are included in this year book. The winners of the black and white section had their pictures printed in the Minilights.

In the school, the Photo Club has taken pictures for the Modelling Club and will this year, as in the past, shot pictures at the Grade 12 Graduation Buffet and Dance. Some of our members participated in the shooting of pictures for an Orientation Presentation put on by EPSA.

All in all, it has been an active, successful and enjoyable year for the members of the Photo Club.

YEAR PLAY — THE MADWOMAN OF CHAILLOT by Giraoudoux

Fall Semester Drama 20/30 productions — SORRY, WRONG NUMBER and PULLMANCAR HIAWATHA

Fund Raising Presentations — ON THE HARMFULNESS OF TOBACCO and THE LESSON
 One-Act Festival — BEFORE BREAKFAST, JUNK YARD and THE BRICK AND THE ROSE

Outstanding contributions:

MIKE McKINLEY for role of **Ragpicker** in "MADWOMAN OF CHAILLOT", the henpecked husband in ON THE HARMFULNESS OF TOBACCO and as the tender hearted **Simon Peterson** in JUNK YARD.

ALEX McCREADY for his sensitive portrayal of **Tommy** in THE BRICK AND THE ROSE, as assistant Director on THE LESSON and for his persistent effort during THE MADWOMAN OF CHAILLOT.

WAYNE ZEITNER for his character acting ability of an **Irish Policeman** in SORRY, WRONG NUMBER and as the evil minded **prospector** in MADWOMAN

OF CHAILLOT along with the sensitivity in playing the fugitive in JUNK YARD.

JAN NOLAN for quality character acting as **Josephine** in MADWOMAN OF CHAILLOT and the **Maid** in THE LESSON and for outstanding achievement in directing an award winning play BEFORE BREAKFAST.

JEAN WAITE for her lead performance of **Aurelia** in MADWOMAN OF CHAILLOT and for a solid performance as the **Narrator** in THE BRICK AND THE ROSE.

THE YEAR IN RETROSPECT

It was a big year for Drama at J.P. A total of eight plays of varying types were produced with more students than ever before involved in the plays giving proof of the wide range of talent of the J.P. student body. It also marked the first full year in the newly renovated theatre. Here are some of the highlights.

Probably the largest cast ever to assemble in such a small space could be the catch-word of the opening production of THE MADWOMAN OF CHAILLOT, which began rehearsals as soon as school opened in September. Twenty eight people including two

teachers made up the cast of the wealthy, the greedy, the poor and the enchanted characters of this classic play of post Second War France. We all felt with the Countess when she made her final exit after having disposed of all the world's evil people. It was a clear case of goodness triumphing over evil. We shall always remember this play.

As a surprise change of pace we were entertained by a contrasting selection of a mystery thriller in **SORRY, WRONG NUMBER** and the make-believe style of **PULLMANCAR HIAWATHA**. These two one-acts had the simple purpose of giving Drama students in class an opportunity to perform in a play where they might otherwise not get the chance. We were not disappointed in their efforts and can recall the role played by Jan Black as the bed-ridden invalid in **SORRY, WRONG NUMBER** as a memorable experience.

We had ambitions of grandeur in selecting two controversial styles in doing **THE LESSON ON THE HARMFULNESS OF TOBACCO**. Our intent was to raise funds for paying off the old Citadel Theatre seats which adorn our Theatre, as well as building up the Drama coffers for future productions. Unfortunately neither of these incentives seemed to motivate attendance as we played to less than half-full houses. If people only knew how much work it takes to put on a play they might be more appreciative of what they have. At any rate, those who did show up got a taste of Checkov comedy and Ionesco absurd drama.

J.P. Drama got national publicity through **DRAMATICS**, a national magazine about drama in

High Schools. It published pictures and a descriptive article on how the Theatre at J.P. came about.

Spring always arouses the spirit of Drama throughout the Edmonton High Schools One-Act Festival and J.P. was again represented very well. The Festival was bigger and better than ever what with eighteen entries — three entered by J.P. We were determined to get something out of the Festival what with two plays being selected to represent the Edmonton Zone this year. **BEFORE BREAKFAST** directed by Jan Nolan and played by Reva Devins became the adjudicators choice, and we prepared for Banff. We all felt happy as regardless of the result, everyone gave their best and with a winner the effort seemed well worth while. It was on to Banff and a sharing with other zones our thoughts, hopes and ideas of Drama. This marked a second year in succession that J.P. became the Edmonton representative which has something to say about something.

Innovation became an IN thing this year with J.P. Drama. A video-tape recorder and monitor created the experience of improving our errors through self observation. The T.V. camera should be a must in all Drama rooms of the future.

And so we say farewell to any talented students who gave three years of dedication, talent, effort and pride. Some of the more prominent graduates who left their mark in Drama are: Jan Nolan, Mike McKinlay, Jean Waite, Allan Newbert, Sharon Hughes, Dave Watson, Jane Schoettle and Alex McCready to mention a few. May they always remember J.P. for the pleasant moments of Drama which they helped to create.

THE MADWOMAN OF CHAILLOT, Act I, the scene is a Paris sidewalk Cafe, the Chez Francis where the plot of the corporation bums is revealed only to be thwarted by Countess Ayrelia and all her friends. Here we see a shot of the Countess (Terri Bonnah) centre giving reasons why Pierre (3rd right of Aurelia played by Jim Greenough) should not go with the Prospector, in white stetson played by Wayne Zeitner. Others in the scene are left to right, Shoelace Peddlar (Mike Glossop), Street Singer (Linda Blatta), Sergeant (Rod Bruce), Deaf Mute (Kent Luxton), Doorman (Brian Braidwood), Irma (Liz McArthur) Ragpicker (Mike McKinlay), Paulette (Lynn Levenick) and Flower Girl (Irene Toma).

THE MADWOMAN OF CHAILLOT had some of the zaniest women characters in Dramatic Literature. The four women shown in this picture are Mdm. Constance as played by Pat Gott, Aurelia the Madwoman of the title played by Terri Bonnah, Mdm. Josephine whom Jan Nolan portrayed and in the back, Mlle. Gabrielle played by Jane Schoettle. All of these characters were equally double cast which showed the many talents of students of Drama at J.P.

THE BRICK AND THE ROSE One of the finest casts to be assembled for a J.P. Drama production made up this very stirring play about the search for all the elusive something that tells us what life is all about. The play ended with very few dry eyes and yet gave us that uplifted feeling of accomplishment by J.P. students. Included in the cast are front row: Grayson Sherman, Alex McCread, and Leslie PLatten. Back row standing: Lance Homeniuk, Waane Hunter, Irene Toma, Bob Birch, Jean Waite, Dick McNeil and Sharon Hughes.

A UNIQUE THEATRE became a reality in the Fall of 1971 when a vacant electrical shop was given to the Fine Arts department for development into a Theatre. Seating can go as high as 175 with tilt-back cushion seats obtained from the Citadel Theatre. The interior is wall paneled from old barnboard that was used not only as a barn but as the set from the Citadel production OF MICE AND MEN. It is the only Theatre of its kind in the City High Schools, and we all love its intimate mood and warmth.

ATHLETICS

CURLING TEAM

Left to Right: Don Alexander, Gord Rutherford, Wade Church, Larry Lawrie

J.P. curling teams have been making waves in the Edmonton area for the past three years and this year's Senior Boy's team was no exception. Wade Church skipped his team to a contending position in a number of major spiels during the season. The J.P. shotmakers took the championship Trophy in the highly competitive high school boys' NACA Christmas spiel. The team went on from there to be one of the first teams to qualify for a zone into the Northern Alberta playdowns. For the second straight year the J.P. curlers proved themselves to be one of the top three teams in northern Alberta by advancing to the semi-finals. Church guided the team up to the Northern with the help of Charlie Osborne at third, Larry Laurie at second, and Don Alexander at lead. An appendicitis attack during the Northern playdowns sidelined Osborne and the team picked up Gord Rutherford to assist with the sweeping duties. With Rutherford playing lead, Church and his rinkmates then turned two first-round defeats into a four game winning streak and managed to make it to the finals of the newly instituted Junior Men's championship of Alberta.

Considering that the age limit for this competition is 22 years the boys proved that they could handle the pressure at any level. It has been a most successful year. All five boys will be returning next Fall to capture the Canadian Championships!

They completed their 1972 season with a 3 - 4 win-loss record and a fourth place finish in the league. After a slow start the team came on to finish the remaining games in a very competitive fashion worthy of the hard work the players put into their practice sessions. With the return of several players the J.P. Junior Team should be more competitive in 1973.

SENIOR GIRLS' VOLLEYBALL

Front Row (L. to R.): Glenda Leach (captain), Elaine Crowell, Colleen Edgar, Barb Olsen.
Back Row (L. to R.): Mrs. Davis (coach), Donna Kobewka, Deb Draper, Shauna MOrgan, Leslie Gosche, Lesly Warke.
Missing: Marilyn McGee, Twila Mills.

The Senior Girls volleyball team under the coaching of Mrs. Davis, had a great season and emerged one of Edmonton's top Volleyball clubs.

They went through league play with a 28 win and 2 loss record, the best of any team in the city. From there they advanced to the playoffs where they came out in number one position with 10 wins and 2 losses. In the semi-finals they defeated Scona three games straight and advanced to the final match against Eastglen. The team played well but Eastglen was the winner 3 games to 1. The Jasper Place Girls never gave up though as was evident in the game J.P. won. Eastglen had them down 14 - 2 but J.P. came back to win it 16 - 14.

Congratulations Mrs. Davis and your team for putting out an excellent effort.

LEAGUE CHAMPIONS

JUNIOR GIRLS' VOLLEYBALL

Front Row (L. to R.): Jan Mitchell, Patti Christensen, Gloria Mehedyn, Marilyn Kachuk.
Back Row (L. to R.): Barb Choppen (coach), Shelly Haight, Carol Christiansen, Chris Dougan, Shelly Betts, Dianne Halkow, Marcia Brooke (Asst. Coach).
Missing: Jane Hutton.

The junior girls volleyball team had an exciting season. With great achievement the girls placed first in their league. The competition in the greater-finals was of higher standard but the girls managed to place and went on to the semi-finals, where they played 3 close games, losing the deciding game to Eastglen. Thanks to the coaching of Barb Choppen and Marcia Brooke the girls had a good season.

LEAGUE CHAMPIONS

SENIOR BOYS' VOLLEYBALL

Front Row (L. to R.): Bob Cromwell, Peter Braune, Neil Leslie, Jim Choppen, Robb Hornland.

Back Row (L. to R.): Wendy Wilson (manager), Ken Davie (coach), Brent Fairbanks, Bob Balfour, Doug Wolsey, Lorne Duholke.

Missing: Andy Hawriko, Randy Rudnyk.

The Senior Rebels are to be congratulated on their fine showing this season.

At playoff time they were red hot. They had finished in 5th place in league standings. In the first round of the playoffs they knocked off 4th place, St. Josephs 3 - 2. In the semi-finals after being down 2 - 0 to 3rd place Lazerte they bounced back to win 3 games in a row.

In the city finals, the powerful Bonnie Doon team who had finished first in league play defeated the stubborn Rebels in 3 straight games.

Coach Davie is to be commended on a fine season, molding this team to championship calibre.

JUNIOR BOYS' VOLLEYBALL

Front Row (L. to R.): Ross Nelson, Stuart Young, Don Gosche, Dennis Bugiak.

Back Row (L. to R.): Karen Nelson (manager), Del Rube, Jim Pryma, Bill Holtby, Daryl Kay, Dave Stevenson (coach).
Missing: Kevin LaBranche.

The Junior Rebels under the able guidance of rookie coach Dave Stevenson enjoyed a successful season. They finished in 3rd place in league standings with a 44 - 16 record. However, in the playoffs the boys lost some closely contested matches to be eliminated from further competition.

SENIOR GIRLS' BASKETBALL

Front Row (L. to R.): Betty Brimacombe, Susan Russell (captain), Toni Frisby, Glenda Leach (captain).
Back Row (L. to R.): Miss H. Schweitzer (Coach), Carol Jeske, Shauna Morgan, Shelley Haight, Deb Dolsky, Vicki Holmes, Shawn McCarger, Barb Olson (Manager).
Missing: Gay Smith.

The Senior Girls' basketball team had an exceptionally fine season bringing home the J. Percy Page Trophy as Provincial Champions. The team went through both of the city leagues undefeated and successfully defended the City Championship. On March 9th and 10th they went to Sherwood Park for the Provincials and won their first two games to put them into the finals against the defending Provincial Champions, Lethbridge Clipper Queens. The final game was close and exciting with J.P. winning 42 - 40. This gave the girls a 23 game undefeated season with an average score of 49 for and 24 against.

The team would like to thank Miss Schweitzer for doing such a great job of coaching and also they would like to thank the J.P. fans for their support this year.

JUNIOR GIRLS' BASKETBALL

Back Row (L. to R.): Miss Brandenburg (coach), Susan Cunningham, Shelley Haight, Carol Christiansen, Diane Halkow, Karen Zaitchuk (Manager).
Front Row (L. to R.): Shelley Betts, Jan Mitchell, Patti Christensen, Barb Hodgins.
Missing: Rita Hee.

The Junior Girls' Basketball team was undefeated in the first round of play. In "A" division competition was very good, with many games won by only one point. J.P. one of six teams from "A" division and 2 teams from "B" division played in a single elimination play-off tournament. J.P. lost in the quarter finals.

SENIOR BOYS' BASKETBALL

Front Row (L. to R.): Lorne Duhulke, Dwight Berkner, Doug Wolsey, Rick Pasowicz, Bob Cromwell.
Back Row (L. to R.): Mr. John Bright (coach), Dave Watson, Brent Fairbanks, Garth MacBeth, Bob Balfour, Mike Huemmert, Brian Wilkes (manager).

Basketball at J.P. for 1972 -1973 season was a mixture of happiness and discouragement. During the first half of the season the Senior Rebels won 5 out of 8 games to qualify for the A division competition. Before the A division competition began in January, the Senior Rebels won the Klondike Classic tournament during the Christmas vacation period. This was the highlight of the season.

During the A Competition the Senior Rebels lost five consecutive games before defeating Harry Ainlay. This was followed by a victory over the St. Mary's Angels. So with a winning streak of two games, the Rebels defeated the M. E. Lazerte team in the first round of the play-offs. This constituted a winning streak of three games.

The basketball season ended for the Rebels as they faced the tough Bonnie Doon Lancers in the Bonnie Doon Gym. The Rebels were close for three quarters but the overall depth of the Lancers proved too much in the last period.

However, the prospects for next year look very good as the returning Seniors will be assisted by a championship junior team.

The Rebels express their thanks for the very excellent fan support and next season should be really outstanding.

JUNIOR BOYS' BASKETBALL

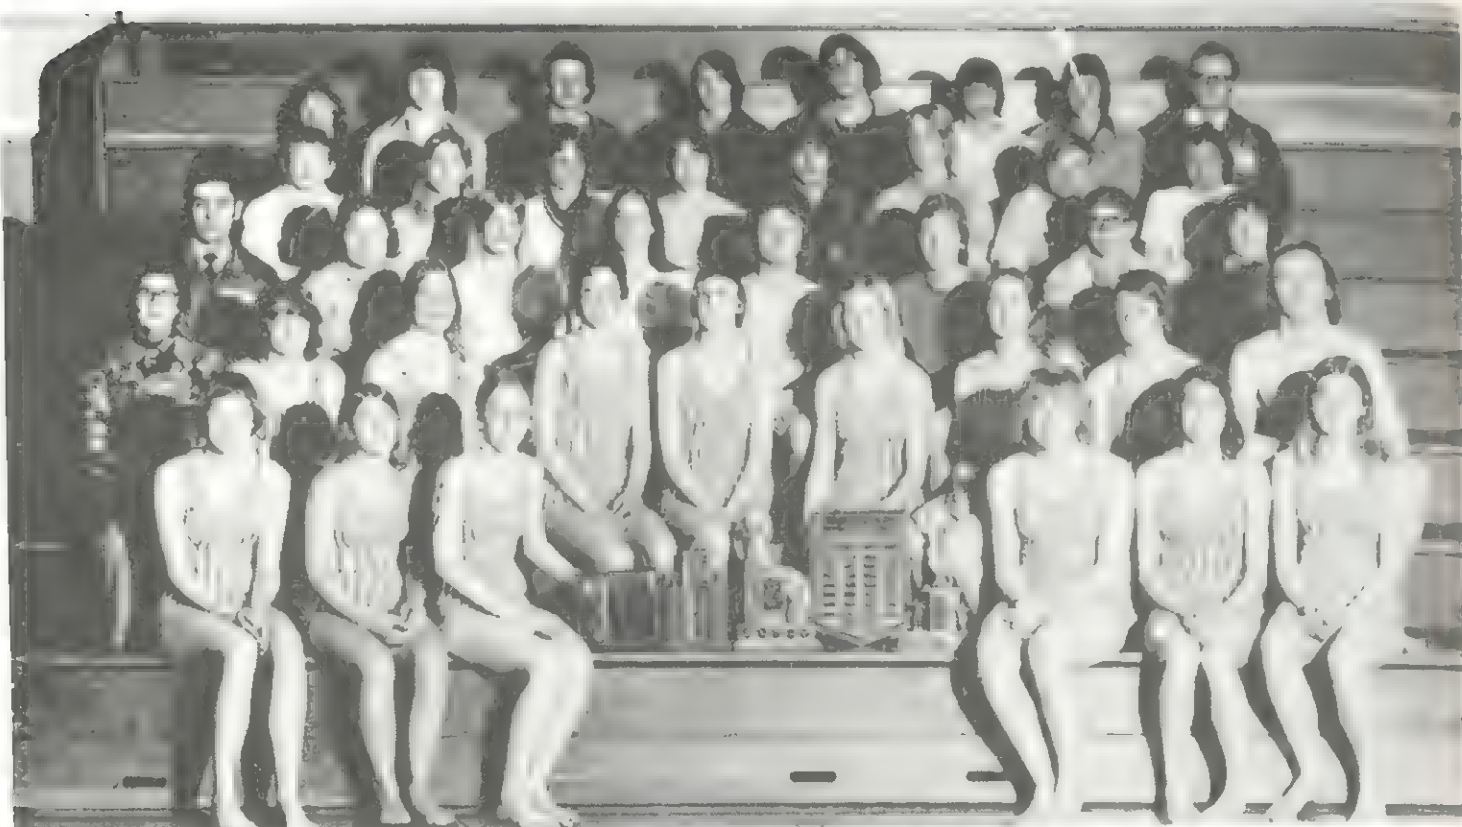

Front Row (L. to R.): Keith Kachuk, Bob Saunders, Malcolm Wilson, Grant Glowicki, Terry Repka, Dennis Bugiak.
Back Row (L. to R.): Keith Bowes (coach), Wayne Hunter (manager), Ian Forgie, Ken Allen, Walter Murphy, Jim Rhodes, Kevin Dotinga, Rob Speers, Stuart Young.

1973 was truly a great season for the Rebels. After losing 3 out of the first 5 games, they rolled up an impressive 21 consecutive victories to win the league and city championships. Playoff action saw the Rebels defeat Louis St. Laurent 45 - 41 in overtime and the McNally Tigers 32 - 30 in the final; with these two games being the most competitive of all season.

The team averaged 55.4 points per game while allowing only 39.8 points per game. Strong desire, mental and physical fitness, and team unity were the key factors for the Rebels success.

J.P. the city champs for the last three years was the most improved team in the city this year. For the first time J.P. gets the "R. A. ROUTLEDGE" advancement award for the greatest increase in Aggregate Point Total at the Championship Meet. J.P. had 598 points in 1972 and advanced to 693 points this year.

The J.P. girls improved by 54 points to 354 points in defence of the Dr. M. E. McKay Cup but lost it by 12 points.

The J. P. boys improved by 41 points to 339 points and retained the T. D. Baker Trophy for the fifth consecutive year.

J.P. won the James Crockett Aggregate Trophy. (J.P.'s fourth year for this trophy.)

In the relay events, J.P.'s boys and girls teams in the final meet broke all the existing records and lowered the record times by as much as three seconds.

The team sponsors were Mrs. Goeson, Mr. Schultz and Mr. Speakman. Team Captains were Jim Gilchrist and Connie Thomas.

A strong group of grade 10 and 11 students show promise for another real contender for next year.
